

Reciprocal Style-C

Subject Matter Objectives

When the Reciprocal Style is achieved, the following subject matter objectives are reached:

- ▶ To internalize the specifics of the subject matter by having repeated chances to practice with a designated observer
- ▶ To visualize the steps, sequence, or details involved in a given task
- ▶ To learn to use subject matter criteria to compare, contrast, and assess performance
- ▶ To practice identifying and correcting errors immediately
- ▶ To practice a task without the teacher
- ▶ Others
