

# Divergent Discovery-Style H

## The Anatomy

In the Anatomy of the Divergent Discovery Style, the role of the teacher is to make decisions about the subject matter topic and the specific questions and logistics to be delivered to the learner. The role of the learner is to discover multiple designs/solu - tions/responses to a specific question.

Pre-Impact..... (Teacher)  
(planning)

Impact..... (Learner)  
(implementation)

Post Impact..... (Learner<sub>T</sub>)  
(feedback & assessment)
